

Annual day

The theme of annual day was " We are all one" in order to drive home the point that in spite of diversity we are all striving to be united and working all for the same objective over the world.

We need to save our environment, save water, electricity, trees etc. There were dances both Indian and western songs and skits. It was a proud moment for children and parents.

The students are all geared up for the final exam we wish them good luck and best wishes may they all pass out with good grades.

Tips for parentTs

- ❖ **Help them study by providing a calm environment and actually helping them with their work.**
- ❖ **Make sure they eat healthy and get enough fresh air and sunlight.**
- ❖ **Encourage the children positively.**
- ❖ **A small prayer before leaving the house will help them to be less stressful.**

Sankranathi

Sankraanthi was celebrated by decorating the school with flowers, rangoli and kites. They had a bonfire where every kid burnt one of their bad habit by putting that written on a chit and burning it.

They ate popcorn groundnut rewadhi and enjoyed their day.

A little rest

You prepared well

You know it all right

Just relax over the night

Morning will come and so will the test don't worry, you just need a little rest.

"Best of luck for your exams"!
